\*\*\*Special Notice\*\*\*

We will begin each night at 6:30 P.M. There will be two(2) Santas splitting the routes. So please be prepared. The streets listed above are the basic order we will be following each night. Please remain at the roadside and Santa or his Elves will come to you. Please DO NOT approach the fire truck. You should hear us coming; we'll give a little notice and please pardon our noise. While we perform these runs, we may, at any time have to leave for an emergency call. Our tentative make-up date is Sunday 12/18, we will make every effort to get to those we miss. Santa and his Elves must move swiftly so he can make it to all of the boys and girls, so please understand our haste. Since 1890, we have remained a volunteer organization, so donations are always accepted and appreciated. We thank you for your tremendous support and hope you and your family will come out to see Santa!

**If you miss Santa for any reason, he will be making a SPECIAL appearance at the Ashland Farmers Market behind Town Hall on Saturday the 17th from 6:30 - 8:00 P.M.**
