Ashland PD Extends Thanks to Community for Support of “Shop-with-a-Cop” Program

The Ashland Police Department would like to take this opportunity to express our sincere appreciation to the Ashland business community for their steadfast support of our annual “Shop with a Cop” event. Due to the generosity of our community, and in partnership with Ashland Christian Emergency Services (ACES), we were able to provide a merry Christmas to 22 deserving children and their families in our community. Without the donations of our community, this would not have been possible.

Chief Doug Goodman said, “Given the current uncertainty of our economy, the joyous generosity of our community was simply overwhelming. To see the faces of these precious children light up when they received their gifts was our best present.”

We would like to thank the following businesses, organizations and individuals for their contributions this year:

Absolute Stone Design
Applebee's
Ashland Christian Emergency
Services (ACES)
Ashland Church of God
Caroline and Alvaro Coronado
Center of the Universe Chick-fil-A
